up by a Fortune teller she had been  
Secretly going to & influenced her  
brother (my husband) that had spoiled  
my home. Then what could be done

She did not have any thing and  
then the Fortune-teller was dead  
and my home mortgaged to try to  
keep my family together & my  
young boy & girl in school. The Boy  
now 16 & the girl 15. they will work  
some where during vacation that will  
help some. My oldest daughter is  
now at home. I try to keep everything  
about my circumstance from her  
But when they take all I have I  
can not keep it from her. It was  
pronounced melancholy of the brain  
that caused her break down before  
this is giving us all more trouble than
